Description

This is a fantastic example Ford Kuga TDCi Titanium Edition finished in frozen white. It has a 2.0L diesel engine and very low mileage of only 22900 miles with full service history. The Titanium Edition trim comes with a host of features designed to enhance your driving experience. Enjoy the convenience of the Ford Key Free System, offering keyless entry and start. The Ford SYNC3 DAB Navigation System, complete with Android Auto, Apple CarPlay, and Bluetooth, keeps you connected and entertained on the go. The vehicle also boasts DEATC dual-zone electronic automatic temperature control, including climate control, ensuring a comfortable environment for both driver and passengers. Automatic halogen headlights with LED daytime running lights provide enhanced visibility, and rear parking sensors make manoeuvring simple. These features combine to make this particular Kuga a smart choice, offering a blend of convenience, technology, and comfort that sets it apart from similar vehicles. Clevedon Garages has over 60 years’ experience in the motor industry with a reputation for providing high-quality cars and trusted customer service both locally and around the country. Every vehicle sold is inspected by one of our factory-trained technicians. We pride ourselves in having no hidden admin fees. Test drives and financing options are available on all cars , and part-exchange of your current car is welcome. Every vehicle is available to buy or reserve online with the options to either collect or take delivery at your home.
