### Description

This is a fantastic example Mazda MX-30 RE-V Makoto in jet black. Mazda MX-30 RE-V offers an WLTP combined all electric driving range of 53 miles combined with a rotary engine to recharge the battery as you drive. It is supplied with both a domestic 3-pin AC charging cable and type 2 AC wall box & public charging cable. This vehicles 17.8kWh battery is capable of 20-80% charge in 25 minutes from a 50kw DC charger. It comes with many features, notably 18in Alloy Wheels, windscreen projected heads up display, keyless entry, 360 degree camera plus front and rear parking sensors! When you look inside you will see sustaniably sourced black upholstery throughout. The front seats are heated and the driver seat benefits from 2-stage memory function plus there is the heated steering wheel & sunroof. The infotainment system comes equipped with many features including premium BOSE speakers, Apple Carplay & Android Auto, DAB radio, bluetooth connectivity for your phone and satellite navigation. There is also air conditioning climate control, great for maintaining a comfortable cabin temperature during your journeys. Should you be planning a journey further afield the bonus of radar cruise control will help you maintain your speed and distance to the vehicle in front. This vehicle is also equipped with several safety features including Lane Keep Assist, Blind Spot Monitoring, a full suite of airbags and secure ISOFIX mounting points for any child seats! Located just 2 minutes off junction 20 of the M5, Clevedon Mazda has over 60 years' experience in the motor industry with a reputation for providing high-quality cars and trusted customer service both locally and around the country. Every vehicle sold is inspected by one of our factory-trained technicians. We pride ourselves in having no hidden admin fees and all vehicles come with a minimum 12-month warranty at no extra cost. Test drives and financing options are available on all cars , and part-exchange of your current car is welcome.
