Description

This is a great example of a Ford Puma ST-Line T, a stylish car with a 1.0L petrol engine finished in desert island blue. Having had only one owner and with low mileage of just 28,500 miles, this Puma is ready for its next adventure. It comes equipped with the Driver Assistance Pack, including Blind Spot Assistance, Adaptive Cruise Control, and front and rear parking sensors with a rear camera, making parking and motorway driving a breeze. The convenience continues inside with manual air conditioning, wireless phone charging, and Ford SYNC 3 Navigation, complete with Android Auto, Apple CarPlay, and Bluetooth connectivity. This Puma stands out with its impressive fuel economy of 52 mpg, meaning fewer trips to the petrol station and more money in your pocket compared to similar vehicles. It also boasts low CO2 emissions, making it a more environmentally friendly choice.
