Description

This is a fine example of a 2022 Ford Focus ST-Line Vignale finished in chrome blue metallic paintwork. As a car with a Euro 6 emission class, it combines style and efficiency. The premium centre console features a short sliding armrest, open cup holder, and convenient 12V power points in the front and rear. The E-shifter rotary bezel adds a touch of sophistication to the gearshift knob. Stay connected and entertained with the Ford SYNC4 Navigation system, boasting a 13.2in touchscreen, Android Auto, Apple CarPlay, and a premium branded sound system. The full fixed LED headlights with LED daytime running lights ensure excellent visibility, while the dual-zone electronic automatic temperature control keeps you comfortable. This Focus has only had one owner. The 1.0L Petrol Hybrid engine offers a blend of performance and economy. The acceleration, reaching 0-62mph in 8.4 seconds, demonstrates its responsiveness, making it a nippy choice compared to similar vehicles. The ST-Line Vignale trim adds a touch of luxury and sporty styling to this already impressive Ford Focus.
