Description

With only one previous owner and low mileage of just 27950 miles, this 2022 Ford Kuga ST-Line X Edition is a great find. This Euro 6 compliant Kuga is equipped with a 2.5L Petrol Plug-in Hybrid engine. The ST-Line X Edition trim comes with some great features, including wireless phone charging, a power opening panoramic roof, dual zone electronic automatic temperature control, a heated steering wheel, and a rear view camera to make parking easier. This particular model stands out with its low insurance group, potentially saving you money on your premiums. The Ford Kuga is a practical and well-equipped vehicle, offering a blend of efficiency and comfort. The plug-in hybrid engine provides the option of electric driving for shorter journeys, while the petrol engine ensures you can still cover longer distances without range anxiety. Clevedon Garages has over 60 years' experience in the motor industry, with a reputation for providing high-quality cars and trusted customer service both locally and around the country. Every vehicle sold is inspected by one of our factory-trained technicians. We pride ourselves in having no hidden admin fees. Test drives and financing options are available on all cars , and part-exchange of your current car is welcome. Every vehicle is available to buy or reserve online with the options to either collect or take delivery at your home.
